Notes & Details

Warm up chilled foods or keep prepared menu items ready to plate with this ServIt 12" x 20" full size electric countertop food warmer with 2 steam table pans and 2 covers. With its specially designed internal heating elements, this food warmer allows you to hold your hot, fully-cooked offerings at food-safe temperatures for several hours at a time.

Thanks to its industry-leading 8" well depth, this unit can fit (2) 1/2 size steam table / hotel pans, which are included to make food prep a whole lot easier! For ultimate versatility, the food warmer features a temperature range of 120 to 212 degrees Fahrenheit. The intuitive digital controls allow you to customize your heat output while also helping you distinguish between set and actual temperatures. Plus, this unit will preheat your food in as little as 30 minutes, offering a quick and effective way to warm up the products that your guests love most! The indicator light even lets you tell if the warmer is turned on at glance.

This 12" x 20" countertop food warmer kit is sure to withstand the wear and tear of constant use. The warmer itself is lined with corrosion-resistant 18 gauge stainless steel, while the pans and covers are made of durable 18/8 stainless steel. The pans even have reinforced corners, making them more resistant to breakage. For added convenience, the pans feature anti-jam stacking lugs, so they won't stick to other pans when you take them out of storage, and the covers are designed with sleek, heat-resistant handles, so you can quickly and efficiently send out and serve your meals.

Kit Includes:

- (1) ServIt FW150 12" x 20" full size electric countertop food warmer with digital controls - 120V, 1500W
- (2) Choice 1/2 size 4" deep anti-jam stainless steel steam table / hotel pans - 24 gauge
- (2) Choice replacement half size stainless steel chafer / pan covers for Choice Economy 4 qt. chafer
