Notes & Details

Keep your pizzas hot, fresh, and ready to enjoy by choosing this Servit PDW12D2P 12" pizza / pretzel warmer with 2 doors, a 4-shelf rotating rack, and a pretzel rack. Add this unit to your pizza shop, kiosk, concession stand, movie theater, or food truck to hold freshly-made pizzas or hot soft pretzels and show them off to your customers. This pizza warmer offers a chrome-plated rotating rack that can hold up to (4) 12" pizzas. It also comes with a pretzel rack for increased menu versatility. When this pizza warmer is installed on your counter, it will draw in customers with bright LED lighting and decals on 3 sides of the unit. It has 4 glass sides so customers can see your delicious pies or savory pretzels from any angle, and the double glass doors allow simple loading or unloading from the front or back. This makes the warmer great for self-serve applications as employees can load the warmer from 1 side and customers can serve themselves from the other!

Customize the outside of this cabinet with Servit pretzel and pizza decal sets, which come with 3 decals each, exactly what you need to outfit 1 warmer. They offer bright, colorful graphics so customers can tell from a distance what you have to offer. Each unit comes with 1 pack of 3 "Soft, Hot Pretzels" decals, as well as 1 pack of 3 "Fresh Hot Pizza" decals for use with the included pizza rack so you can draw in hungry customers and boost sales! Inside, the cabinet features a water pan that provides passive humidity to prevent food from drying out before being served. The adjustable heat control offers a range of 86-194 degrees Fahrenheit. It requires a 120V electrical connection and has an output of 800W.
