Notes & Details

Keep your popcorn and other packaged snacks hot, fresh, and ready to enjoy by choosing this ServIt 18" popcorn full-service countertop display warmer with 4 shelves! Add this unit to your pizza shop, kiosk, convenience store, concession stand, movie theater, or food truck to hold freshly made popcorn and other hot foods and show them off to your customers. This countertop warmer offers four chrome-plated shelves that can hold pizzas up to 18" or any other hot grab-and-go food. When this warmer is installed on your counter, it will draw in customers with bright LED lighting and backlit decals on three sides of the unit. It has four glass sides so customers can see your delicious snacks from any angle, and the single glass door allows simple loading or unloading.

Customize the outside of this cabinet with the ServIt popcorn decal set, which comes with 3 decals, exactly what you need to outfit one warmer, and fits your ServIt 18" countertop pizza warmer. It offers bright, colorful graphics with a "Popcorn" design so customers can tell from a distance what you have to offer. You can draw in hungry customers and boost sales by adding this decal set to your food warmer! Inside, the cabinet features a water pan that provides passive humidity to prevent food from drying out before being served. The adjustable heat control offers a range of 86-194 degrees Fahrenheit. It requires a 120V electrical connection and has an output of 1700W.
