space-efficient and convenient

Our compost caddy hangs neatly on the side of your trash can and is easy to detach for use on your kitchen counter during food prep and clean up.

magnetic docking system

Attaches to the side of rectangular or slim liner rim trash cans to keep the compost caddy securely in place – magnets also help keep lid open while in use.

minimizes odor and keeps pests out

Food scraps are smelly, our soft-seal lid lets food scraps breathe minimizing odor and keeping pests like fruit flies away.

removable inner bucket

Handled bucket holds a large amount of food scraps and is easy to remove for dumping compost or cleaning.

fingerprint-proof coating with Agion® antimicrobial

The compost caddy's stainless steel surface is protected by an invisible fingerprint-proof coating that is also infused with Agion, an EPA-registered antimicrobial that inhibits the growth of bacteria, fungi, mold, and mildew.

code Z custom fit compostable liners

Fit the compost caddy perfectly and make it easy to remove food scraps neatly and cleanly, fully decomposing with the rest of your compost.
