slim, space-saving shape

Designed to make the most of tight spaces.

neat and secure

Stainless steel liner rim flips up for a quick and easy liner change, then closes over the liner to hold it tightly in place and keep it hidden from sight.

strong steel pedal

Our strong steel pedal is engineered to last over 150,000 steps — that's more than 20 steps a day for 20 years.

silent close lid

Our patented lid shox® technology controls the motion of the lid for a slow, silent close.

fingerprint-proof

Fingerprint-proof finish resists smudges to keep stainless steel shiny.

custom fit liners

Our code N liners are designed to fit this can perfectly so they don't slip, and they stay completely hidden. Extra-thick plastic and double-seam construction prevent rips and tears.
