touch-free

Neat, easy and automatic. Touch-free operation means no germs passed on, and no smudges left behind.

built for heavy use

Designed for business but also perfect for busy households, the sensor pump max's extra-large 32 oz. capacity means less frequent refills and four D-cell batteries last for up to 1 year.

clog-proof tubing pump

For precise and consistent soap flow.

adaptive sensing

Sensor lens adapts to its environment to prevent false triggers, even if it gets smudged.

variable dispense

Position your hand up close for a little soap and farther away for more.

optional wall mount fixture

Fixture and screws included with soap pump.

secure lid

Included tool is the only way to open the lid for refill for added security.

the perfect soap and sanitizer

Use simplehuman soap or sanitizer for optimum pump performance.
