Orione Q VV Timer

- Robust powerful range of bar blenders with hardened steel blades making them ideal for a wide variety of uses including mixing, pureeing and liquefying
- Air-cooled 1 Hp motors
- Highly resistant Tritan jugs
- Tempered stainless steel blades
- Fully removable jug for easy cleaning
- Rubber cap on lid for opening whilst in operation to add extra ingredients
- Orione Q VV Timer features a variable speed control and a timer

Features

Technical:

- The rugged 1 Hp motors are fan cooled.
- Their sealed ball bearing system and the direct gear transmission give a quiet and long lasting operation.
- The Tritan containers are virtually unbreakable.
- A feed opening on the lid allows for adding products while the blender is working.
- Easy-grab handle for faster and safer container handling.
- Durable one-piece blade design for creamier and smoother drinks.

Sanitary:

- The Tritan container is BPA free and dishwasher safe.
- The blenders are built with highly hygienic materials.
- Easy to disassemble and clean.

Specifications

Construction:

Base is made from aluminum, the container is made from Tritan and the blades are stainless steel.

Motor:

750 W, direct transmission.
