Vacuum pack machines

W8 40 DX

W8 30 DX EASY

W8 50 DX DB

Exclusively designed with a stainless steel 304 flat vacuum chamber, the easiest to clean in the market
Thick transparent dome for viewing the process from start to finish
Digital LED display, water resistant. Electronic millibar sensor
Built-in cycle counter with oil change reminder
Removable seal bars
Slide for liquids comes standard

14 vacuum programs:

10 customizable - vacuum and seal time programming

AA automatic

LA liquid automatic - stops and goes twice to avoid liquid boil

XT external - manual, set up vacuum and seal time. To use with optional hose and containers

XA external automatic. To use with optional hose and containers

EASY models: simple vacuum and seal time controls

Optional:

Thermal Label Printer - factory installed, not available on EASY Versions

12" Seal bar with cut-off wire

16" Seal bar with cut-off wire

20" Seal bar with cut-off wire

Reinforced gastronorm containers and lids

External vacuum hose, to be used with gastronorm containers and lids
