Skullerz DAGR Anti-Scratch & Enhanced Anti-Fog Safety Glasses, Sunglasses

FEATURES

- **DURABLE FRAME** - Durable nylon blade-style frame bends and flexes without breaking
- **HALF-FRAME STYLE** - Improved lower and peripheral vision due to frameless bottom
- **ENHANCED ANTI-FOG** - Fog-Off+ technology exceeds ANSI/ISEA Z87.1-2020 (Marks: Z87.1+ X) and EN166 anti-fog requirements with improved anti-fog performance vs original Fog-Off
- **ENHANCED SCRATCH RESISTANCE** - Fog-Off+ technology tested to EN166 scratch resistance requirements for improved durability
