

18" STEEL CORE® SHOVEL WITH WEAR STRIP | SN1250

The perfect combination of durability and performance. The Suncast® 18" Steel Core® shovel features a flat profile blade and short shaft to assist in lifting snow for less strain on your body. Plus, the Steel Core® shaft provides strength and stability. Scrape up stubborn ice and snow with the galvanized steel wear-strip that also helps protect the blade integrity.

FEATURES

- Features a flat blade profile with a short shaft for lifting light snow
- Steel Core® shaft for strength and stability
- Angled rib pattern resists snow-stick
- Comfort D-grip handle for added grip and control
- Galvanized steel wear strip helps protect the integrity of the blade
- Made in the USA

* Packaging is in English and French
