Features

- Machine feeds, laminates and trims automatically, giving you time to multitask on other projects
- Pouch-free design makes lamination as easy as pressing a button. Machine automatically starts once warmed up.
- Film cartridges are auto-threading. Just place the cartridge inside and close the lid. 50' starter cartridge included.
- 3 mode options let you laminate letter size pages, oversize documents and odd shapes. Load up to 30 letter size sheets in the Auto-Feeder.
- Laminate up to 230 documents per cartridge. A sensor controls spacing to minimize film waste and prevent jams.
- Auto deskew straightens pages so they feed evenly. Other features include auto shut off and mil thickness detection. Comes with 2 year or 5000 laminate warranty.
