DETAILS

Our Gloss White Finish Aspect 24" Floor Merchandiser Kit 1 is the perfect solution for displaying garments, offering two versatile ways to present your hanging apparel. This merchandiser provides nearly 24" of horizontal hanging space on one side and a forward-facing garment presentation using our Gooseneck Faceout on the other.

The hangbar, measuring 23-3/4" wide x 11" deep, is crafted from durable 1" square tubing. It easily mounts to the Floor Merchandiser using saddlemount brackets. The blade-style Gooseneck Faceout features a step-down presentation, creating a sophisticated two-tiered look. The top portion offers 7½" of hanging space, while the bottom portion provides 4-3/8" of hanging space. Each level includes a ½" tab to prevent hangers from slipping off.

This kit also includes levelers for added stability. The Gloss White Finish Aspect Merchandiser features wood inserts on the base, with one side in white melamine and the other in raw oak woodgrain. The overall dimensions of the merchandiser are 62" high x 24" wide x 24" long.
