PUMPS

Consistently serve with portion-controlled, stainless steel pumps; adjustable in 1/8 oz increments. Designed with food types in mind – use the Dispenses Key to narrow your search. Thick Pump (TP) models reduce dispensing force needed for especially thick or crafted sauces. NSF clean-in-place certified. Two-year warranty.

CP models (b) have unformed tube ends, whereas FP models (c) have formed ends to hold back thin product drips

DI models have a 3-inch-taller spout for additional serving clearance
