INDUCTION RANGES

**PowerLuxe Battery- Powered
Induction Warmer**

SKU	POWER	BATTERY TYPE
SM-500BP	500 W	LiFePO4

DESCRIPTION

Bring portability and performance to your buffet operation with the Spring USA PowerLuxe Battery-Powered Induction Warmer. Designed for flexibility and convenience, this 500W unit operates on a rechargeable LiFePO4 battery, offering up to 150 minutes of runtime without the need for a power outlet.

Ideal for buffets, catered events, or offsite foodservice serving spaces, this warmer features four precise temperature settings, a backlit LED screen, and a durable, scratch-resistant 6mm glass top.

FEATURES

- Removable battery (battery included)
- AC charger (included)
- Simultaneously operate & charge function
- 4 temperature settings (1-4)
- Battery, power level, & heat indicators
- Backlit LED screen with 3 control buttons
- Tempered, scratch resistant black finish
- 6mm thick glass surface
- Durable, stainless steel body
- Non-skid, non-scratch footing/base
- Physical ON/OFF switch on the back
- Certified Safety - ETL-certified, UL-Certified, FCC, RoHS, UN38.3
- Additional batteries available, sold separately

WARRANTY

Spring USA induction ranges offer a one- year, overnight exchange warranty (continental US only), from the date of invoice, against manufacturer defects. See SpringUSA.com for more details.
