WARMING TRAYS

**PowerLuxe Battery-Powered
Warming Tray**

SKU	POWER	BATTERY TYPE
ST-350BP	350 W	LiFePO4

**DESCRIPTION**

Bring portability and performance to your buffet operation with the Spring USA PowerLuxe Battery-Powered Warming Tray. Designed for flexibility and convenience, this 350W unit operates on a rechargeable LiFePO4 battery, offering up to 5 hours of warming time without the need for a power outlet.

Ideal for buffets, catered events, or offsite foodservice serving spaces, this warming tray features four precise temperature settings, a backlit LED screen, and a durable, scratch-resistant 6mm glass cooktop.

FEATURES

- Removable battery (battery included)
- AC charger (included)
