Description:

Spring USA's folding, portable sneeze guard creates a protected and polished buffet that shields both the guest and staff from contaminants while allowing clear visibility of food. Hinged arms offer protection on three sides and can be arranged at any angle. The acrylic and aluminum structure is easy to clean and folds flat for easy storage and transport..

Construction & Performance Features:

- Hinged arms can be arranged at various angles
- Folds flat for storage or transport
- Lightweight, portable protection
- Heavy-duty, 1/4" acrylic
- Brushed satin finish frame
- Corrosion resistant and easy to clean
- Made in the USA

Standard Warranty:

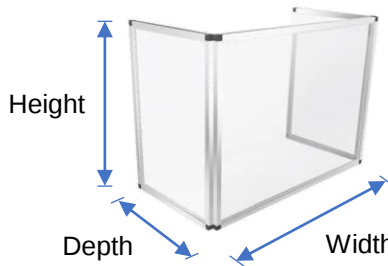

- 30 days from date of purchase against defects in material or workmanship

June 2020
