Auto Totaling Time Clock

PYRAMID®  
SIMPLE : SMART®

## Accurate, Error-free Payroll Time Tracking.

The NEW **3800 Auto Totaling Time Clock** minimizes payroll processing time and eliminate calculation errors. Compact, sleek design complements any work environment. Simple set-up and simple operation make this time clock a favorite with small business!

Tracks and records employee time and attendance with this small business time clock bundle. The 3800 time clock equips your business with everything you need to get started, including the 3800 electronic calculating time clock, 50 time cards, one ink ribbon cartridge, and two security keys.

### Main Features:

- Auto Totaling
- Large backlit LCD time and date display.
- Tamper-proof security lock to protect clock settings.
- Automatic reset for short months, leap year and daylight savings time (US) or none.
- 1-year limited warranty.
- Wall/Table mount.
- Automatically aligns time cards for precise punching and printing.
- English menu programming/display.
- Processing for up to 50 employees. Weekly, every 2 weeks and bi-monthly.

Employee's in and out punches are recorded on a six column time card. Calculates worked hours between punches, and cumulative hours per pay period.
