

Sta-Rite™ Sign Post

7" Flexible Bollard Sign Post, 78" Tall with Handicap Sign

BASE OPTIONS

This product can be used with:
Drivable Base, or
Surface Mount Fixed Base

SPECIFICATIONS

- Post is constructed of white powder coated aluminum to prevent warping and remain straight.
- Outer bollard is a durable plastic which simulates a formidable concrete barrier for added conspicuity. Prevents bumper damage to metal post.
- Sign available with or without Van Accessible notation
- 7" outer bollard available in yellow, white, tan, red, orange, light grey, grey, green, brown, blue, black, bright green, and federal yellow.
- For use with single 12" x 18" plastic sign panel.

RECOMMENDED USES

- ADA specified parking lot signs
- Asphalt, concrete, or in-ground installation
- Use where occasional bumping by vehicles can damage traditional sign posts causing costly repairs or replacement.
