

ONEIDA®

STUDIO POTTERY CELADON

Reminiscent of a fresh meadow, with its pale yellow/green glaze complimented by an earthy brown accent. The artists' two-toned application adds a dramatic flair to the many geometric shapes and serving vessels. Another reason to go green, food has a natural affinity to be plated on this color.

Plate
F1463067115 (6"), 2 Doz.
F1463067132 (8½"), 2 Doz.
F1463067151 (10⅝"), 1 Doz.
