Model No. SWC200

Rotary Cutter

The perfect way to make a chopped salad. Place the meat and cheese into the bowl and add your requested vegetables. Use the Stainless steel Rotary Cutter and chop the salad to the desired size. It will take approximately 6 to 8 passes. This is a simple and quick way to build a Chopped Salad. The cutter is easy to clean, just remove the blade retainers (2) and the cutting wheels.

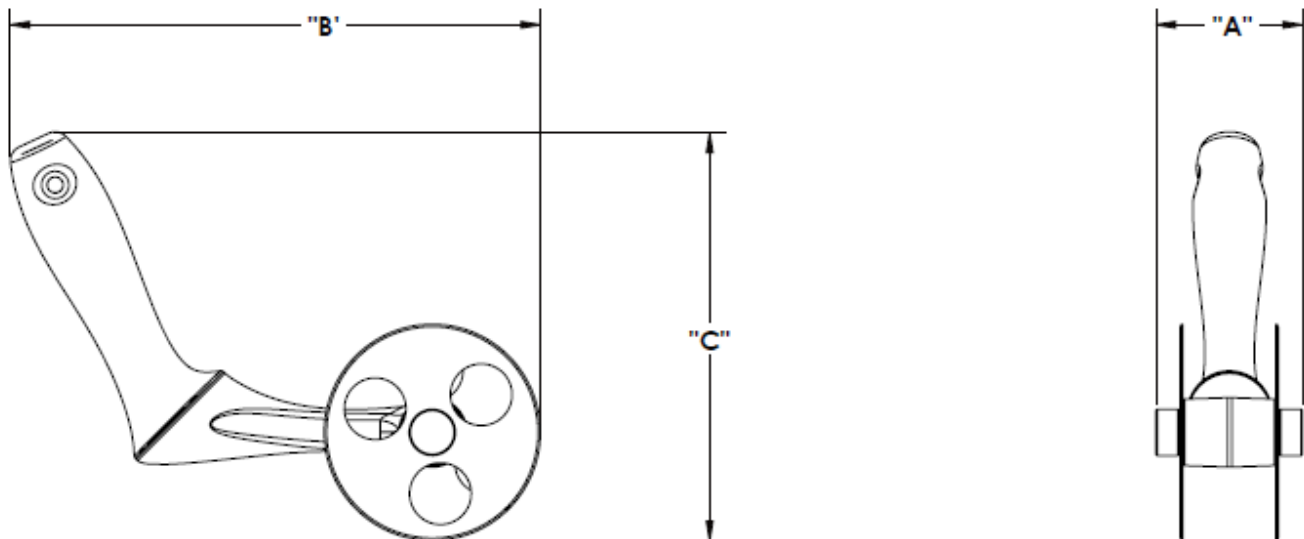

Standard Features:

- Stainless steel blade
- Polypropylene handle
- Removable cutting wheels
- NSF Listed
