VOLLRATH

T3610SM

Full-size silicone baking mat

No matter what type of sweet or savory treat you want to bake, the silicone baking mat by Vollrath is a high-performing choice. The nonstick silicone doesn't require oil or butter to ensure an easy release, keeping treats intact, and drastically reduces kitchen cleanup time by eliminating the need for pan scrubbing. And the reusable design saves you the expense of parchment paper or disposable options. This mat is safe for use with ovens, microwaves, dishwashers and freezers for additional convenience and is recommended for baking temperatures up to 500°F.
