WIFI THERMOSTAT

## WIFI Made Easy & Affordable

Millions of T701 thermostats are in homes across the nation. Not because of all of the bells and whistles it offers, but because it is Simple. Simple to install.

Simple to operate. Simple to sell. The exact same logic was applied while designing the T701i. Installation is a breeze. Programming is optional. WIFI is optional. Comfort is guaranteed.

Programming\*\* = Programming only available from the web app

## Scheduling Made Simple

Using a schedule saves time and money while keeping your home comfortable. However, in today's world many people do not fit into the conventional 5/1/1 routine. With the PRO1 Connect app customizing your schedule is easier than ever before.
