

## Risers & Displays

Risers create more room and add dimension to your table.

TableCraft's space-saving designs allow many of our products to nest when not in use. All of our risers can be used alone or as a set, as their neutral design allows your food to take center plate!

## RUSTIC RISERS™

Add rustic charm to your buffet setting and display with TableCraft's Rustic Risers™ Crate Sets with Chalkboard. Available in a three-piece set with either natural wood finish or white distressed, our crates will add a vintage, rustic feeling to your buffet. Use as a riser to add height to you setting or use as an attractive storage option. Includes chalkboard inserts for decorative organizing and labeling. Crate set nests together for convenient and space saving storage.

- Chalkboard panel for labeling presentation
- Integrated handles for easy carrying
- Base of crate provides flat surface for versatile display options
- Easy maintenance; lightly clean with a damp cloth and dry immediately.
- Do not submerge in water
