

MESH TARPES

Built to Withstand the Elements

220 GSM HEAVY DUTY MESH TARPS: AVAILABLE IN BLACK & GREEN COLOR. Built for shade, airflow, and reliable protection, our 220 GSM Heavy Duty Mesh Tarps are perfect for commercial, industrial, and everyday use. With 60% shade coverage, reinforced corners, double-stitched hems, and brass grommets every 2 feet, these tarps deliver long-lasting durability in tough weather. Ideal for canopy shade, fencing, truck loads, equipment coverage, and more—available in Black & Green with 40+ size options to match any application.

WEATHER RESISTANT: Don't fear horrendous weather and potential tearing! These mesh tarps are designed to withstand all sorts of heavy wind without ripping or breaking.
