TWO FUNCTIONS IN ONE REFRIGERATOR
 (Refrigerated Merchandiser + Refrigerated Top Display Case)

Model : TOM-W-50SB

**Self-Cleaning
 Condenser**

NO MAINTENANCE REQUIRED

≡ FEATURES & BENEFITS ≡

- **Self-cleaning condenser device** *Only at Turbo Air*
 The accumulation of dust in the condenser causes the failure or breakdown of refrigerators. Refrigerators run normally until they reach a certain level of accumulation. At some point, when they are over the limit, their performance drops quickly resulting in damage to, or disposal of the stored products in refrigerators. The self-cleaning condenser device keeps the condenser clean and prevents system failure by automatically brushing daily.
- **Hot gas condensate system** *Only Turbo Air models*
 Through Turbo Air's creative innovation, the condensate system surfaces have been specially treated to resist corrosion. This not only increases efficiency without the risk of refrigerant leakage from corrosion, but also prevents the overflow of condensate water.
- **Modern design**
 By harmonizing curvature and rigidness, our modern style product designs are user-friendly while maintaining the highest product visibility and aesthetics.
- **Efficient refrigeration system**
 Turbo Air's refrigerators are designed with oversized and balanced environmentally friendly R-134A (CFC Free) refrigeration. These include large evaporators and condensers for faster cooling and balanced temperature throughout the cabinet.
- **Designed to enhance impulsive sales**
 Ideal for eye-catching displays and convenient access with fast service in high traffic area.
- **LED lighting interior**
- **Standard back-guard improves airflow**
- **Foamed with polyurethane, high-density cell insulation (CFC free)**
- **300 series stainless steel interior standard including back wall, shelves and deck pans**
- **Perforated interior back wall and top for improved airflow**
- **Front air intake and rear air discharge**

Model	CU./FT. (Top / Bottom)	HP	AMPS	Crated Weight (lbs.)	L x D x H (inches)

Model : TOM-W-50SB

ELECTRICAL DATA	
Voltage	115/60/1
Plug Type	ⓘ NEMA 5-15P
Full Load Amperes	11
Compressor HP	1/2
Refrigerant	R-134A
DIMENSIONAL DATA	
Net Capacity (Top / Bottom) (cu. ft.)	5.6 / 8.5
Ext. Length Overall (in.)	50 7/8 (1292mm)
Ext. Depth Overall (in.)	34 (864mm)
Ext. Height Overall (in.)	56 1/2 (1435mm)
Int. Dimensions (L x D x H) (Top) (in.)	47 5/8 x 13 x 15 3/4
Int. Dimensions (L x D x H) (Bottom) (in.)	47 5/8 x 24 x 13 7/8
Net Weight (lbs.)	496
Gross Weight (lbs.)	639

Design and specifications subject to change without notice.
Actual shipping weight may differ due to extra packing materials for product protection.

■ **WARRANTY :** 2 Year Parts and Labor Warranty
Additional 3 Year Warranty on Compressor

- **Simple plug-in installation**
- **Patented self-contained system, no plumbing required**
- **Standard color comes in black only**
- **Price tag channel available (optional)**
- **Recommended operating conditions:**

TOM models are designed to operate in an environment where temperature & humidity do not exceed 75°F and 55% respectively. Units should not be installed near HVAC vents, fans or doorways that will disrupt the air curtain and compromise the function of the cabinet. Air curtain models will run most efficiently when completely loaded with product.

■ **OPTIONAL ACCESSORIES :**

- Price tag channel: PW500000ZK (46 1/4" L)
