Create height, save space, and bring structure to the table with rectangular three-tier stands designed for standout presentation. From fixed frames to foldable styles, these stands make it easy to build layered displays that fit the moment.

Deliver an impressive display every time with this 17-3/8″ L x 7-1/2″ W x 10″ H three-tier wrought iron foldable riser stand. The flat black platforms allow you to display pastries or other foods directly on the platform, or place bowls or a platter for other presentation options. With the option to display it in multiple configurations, this stand is a helpful tool when you are running out of table space, or when you want to create an elegant fanned-out look. Foldable for caterers to easily transfer, this three-tier stand is an asset for any kitchen.
