SAFETY PRODUCTS INC.

## Ultimate Safety.... Approved for Foodservice

### Maximum Safety

The ultimate in user protection from multiple heat sources, wet and dry.

### Maximum Sanitation

Poly-Cotton Protective Products with our VaporGuard® barrier can be machine washed to prevent soil build up, reduce the risk of cross contamination, and maximize product life cycle.

### Maximum Service

We design industry-leading products that can be trusted and that offer effective personal protection against burns or cuts throughout foodservice operations. We offer a one-year warranty against manufacturer's defects. If our customers are not 100% satisfied, we will work with them until they are.

### Maximum Savings

Our innovative, high-grade materials protect users better for a longer period of time. The pads last 10 times longer than traditional cotton quilted oven products.
