PEGASUS SERIES

PEGASUS PRO 500H DV/DC

The Pegasus PRO 500 is a high performance, multifaceted heated extractor. Built to be lightweight and easy to use, its versatile design allows crews to transition seamlessly between carpet and upholstery. The system features adjustable 50–500 PSI paired with a 1750W in-line heater for instant, deep-cleaning power. Equipped with parallel dual 3-stage top-mounted vacuum motors, the Pegasus PRO 500H delivers 200 CFM and 100" of lift, ensuring exceptional water recovery and fast drying times. Available with either a 1.5" or 2.0" inlet, this extractor can be purchased as a stand alone unit or as a complete package with a 13" Sharp Shooter Wand and a 25' hose set.
