BOTTOM-MOUNT FABRICATOR WELLS

DESCRIPTION

These Vollrath® modular drop-ins are designed for bottom-mount installation and require hard-wiring. Wire leads for remote installation of the control are included.

NOTICE: Drop-ins are designed for use with moist heat; operation with water is required.

WARRANTY

All models shown come with Vollrath's standard warranty against defects in materials and workmanship, with an additional four years on the compressor. For full warranty details, please refer to vollrathfoodservice.com.

AGENCY LISTINGS

Due to continued product improvement, please consult vollrathfoodservice.com for current product specifications.

ITEMS

Industry Wells	Description

NOTICE: Sizing is for reference only. Contact Vollrath Technical Services prior to tooling for a parts sample. Customer is responsible for tooling.

NOTICE: Vollrath® Drop-Ins are made to order and cannot be returned. It is the responsibility of the installer to ensure cut-outs on new installations are correct, or retrofit installation dimensions match with Vollrath product dimensions. Vollrath will not guarantee that our models retrofit with specific competitive models (as competitive specifications can change without notice). We recommend countertop cut-outs be made after receipt of the Vollrath drop-in to ensure proper fit prior to cutting into countertop materials.

NOTICE: Do NOT modify the cord or plug. Modification may damage the drop-in or cause injury, and will void the warranty.
