24-ounce two-piece economy stainless steel ladle

Thanks to the two-piece design, the economy ladle by Vollrath is a high-performing tool at a convenient price point. Made of durable stainless steel, it features a sleek mirror finish that creates a sophisticated appearance. The hooked handle ensures convenient storage and prevents sliding into pots, while the grooved design adds strength. With the capacity permanently marked on the handle, this ladle makes stirring, measuring, serving and controlling portions impressively easy.
