

4924J-13

24-ounce Traex® clear wide-mouth squeeze dispenser replacement bottle

The Vollrath® Traex wide-mouth squeeze dispenser replacement bottle is sure to meet your needs. The clear bottle allows for quick identification and makes it easy to see when it's time to refill. Embossed graduations on the bottle help you monitor portion sizes, and the ridged design offers a comfortable, steady grip. The wide mouth makes it easy to clean, allowing you to use this bottle over and over again.
