VOLLRATH

58700

1-quart hooked-handle dipper

Made from dependable stainless steel, the Vollrath® hooked-handle dipper features seamless construction and a welded handle for durable performance. It has a 1-quart capacity with graduation marks on the outside and inside for accurate measuring. The hooked handle prevents the dipper from sliding into pots and containers, and the sleek design is easy to clean.

FEATURES & BENEFITS

- Stainless steel construction is durable and long lasting
- 1-quart capacity creates accurate portions
- 12-inch hooked handle allows for easy gripping, dipping and storing
- Capacity graduation marks on the inside and outside of dipper for accurate measuring
- Welded handle for additional durability
- Made in the USA
- Ideal for serving drinks as well as soups, stews and more
