

## Efficient and environmentally friendly cleaning - with innovative and flexible features

Nilfisk VP600 is the efficient and advanced choice ensuring cost-effective cleaning of applications such as hotels, contract cleaning, restaurants, offices and institutions.

VP600 offers a wide range of features to choose from and you can find exactly the variant that fits your specific cleaning job. Choose the cord solution that suits you and helps you reduce cleaning time and improve the cleaning process. Great user benefits and clever design offers you what you'd expect from a Nilfisk vacuum cleaner.

The modular design not only allows flexibility to choose exactly what you need but it also makes the vacuum cleaner easy to maintain and service for years to come. When a cord is worn out or damaged, it can easily be replaced by a new cord module in no time, providing you with a machine that need never be out of service.

- Dual speed function for optimized power consumption and cleaning performance
- HEPA exhaust filter as standard
- New magnetic closing of dust compartment securing high reliability and ease of use
- Available with standard cord, detachable cord or cord rewind
- Best in class sound quality
