

WALK-UP WINDOW

MANUAL SELF-CLOSING WINDOWS DESIGNED FOR WALK-UP SERVICE

SC-3021 MANUAL SELF-CLOSING WALK-UP WINDOW

SC-3021 MANUAL SELF-CLOSING WALK-UP WINDOW
WITH STAINLESS STEEL SHELF BASE

SC-3030 MANUAL SELF-CLOSING WALK-UP WINDOW

Quikserv's line of walk-up windows are the ideal solutions designed for walk-up service ranging from pedestrian customers to delivery drivers. The small frame size is perfect for retrofits and makes an ideal size to transfer orders needed for customers on the go.

These window models are also compliant with the California Retail Food Code, providing a service opening that is less than the required 216 sq in without the use of an air curtain.

STANDARD FEATURES

- Dark bronze or clear anodized frame finish
- Window opens RIGHT to LEFT or LEFT to RIGHT from interior
- Industry proven Adams Rite thumbturn lock device for enhanced protection
- 1/4" Clear tempered safety glass
- Shipped fully-assembled and ready to install
