Notes & Details

Equip your kitchen, prep area, or bar with this Waterloo 10" x 14" x 10" 18 gauge stainless steel two compartment drop-in sink with an 8" swing faucet. This sink features a drop-in design that fits down through the top of your counter. It has an innovative self rim design along the top to provide a professional appearance once it's installed in any countertop.

Designed for durability, corrosion resistance, and sanitation, this sink's bowls are made of seamless deep drawn 18 gauge, type 304 stainless steel. Plus, the 3 1/2" drains are ready for installation so you can get your new sink up and running.

This Waterloo sink comes with a faucet so you don't need to worry about purchasing a compatible faucet separately. The 8" swing faucet with 4" centers and a 2 GPM flow rate means you'll be able to start using your sink right away. This model comes with the hardware you will need for installation.
