Equip your kitchen, prep area, or bar with this Waterloo 20" x 16" x 12" 18 gauge stainless steel three compartment drop-in sink. This sink features a drop-in design that fits down through the top of your counter. It has an innovative self rim design along the top to provide a professional appearance once it's installed in any countertop.

Designed for durability, corrosion-resistance, and sanitation this sink's bowls are made of seamless deep drawn 18 gauge, type 304 stainless steel with welded seams. Plus, the 3 1/2" drains with drain openings are ready for installation so you can get your new sink up and running.

To get your sink up and running as quickly as possible, this unit comes with the required installation hardware.
