Part No. 272266, Steel Platform Truck

- Heavy duty 12 gauge steel reinforced welded construction.
- Constructed for both standard corner or diamond caster mounting pattern.
- Removable two cross-brace handle can be inserted in either end.
- Choose your caster. Platforms and casters sold separately.
- All platforms include one handle. Additional handles available as an option.
- All listed capacities are based on evenly distributed loads.
- 32" high handles from platform top.

Actual capacity of assembled platform is dependent upon caster capacity but should never exceed the platform's structural capacity, regardless of caster type.
