- Shower Doors
- Stove Tops
- Mirrors
- Restroom Fixtures (Chrome)
- Sealed Marble
- Sealed Granite
- Stainless Steel
- Windows:
  - Factory Installed Low-e Coated
  - UV Protected

## USE INSTRUCTIONS

Pump trigger to prime. Spray a fine mist over entire surface, spread at once and polish dry. Change towels or cloths when dirty to avoid redepositing soil.

Do not contaminate water, food or feed by use, storage or disposal. Rinsing with potable water is required if used on equipment that will be returned to a food processing area.

## CLEANING TIPS

Do not use on wood or other varnished surfaces. Always spot test other surfaces before using. Unplug electrical appliances before using. Suitable for use in non-food processing areas. For best results use a lint-free cloth or untreated paper towels.
