

WINDPRO SLIM 2 TIER

DOUBLE SIDED PAVEMENT SIGNS WITH TOP OPENING SLIDE-IN DESIGN

WindPro Slim is a double-sided stopper as pavement sign. It is suitable for outdoor use. Frame is made of sturdy aluminium. Poster is secured by standing firm between cover and backing. 2xAnti-reflex poster protection and a separator are included. It is suitable for 22x60 inch poster. It is equipped with water fillable heavy base which is made of HDPE. Water capacity is 24lt. Total weight is 27,5 kg when full with water. It is equipped with wheels for easy carriage. Colour options are silver and black.

KEY SELECTION ATTRIBUTES

- * Double-sided, outdoor Pavement Sign with two foldible and top opening slide-in frames, equipped with swinging springs and water base for flexibility and stability.
- * Easy to use by sliding posters from top opening profiles in between PET covers and PVC foam backing. The poster is firmly secured in between the backing and cover. Sliding the posters into bottom frame is possible after the top frame is folded.
- * Suitable for outdoor use and 4 different advertisement options on one unit with 559x711 mm (22"x28") poster size for each advertisement.
- * Standard poster thickness is between 0,10 to 0,20 mm. If used without PVC foam backer, maximum poster thickness is 4,00 mm for low density rigid posters.
- * One set includes 2 double-sided top opening slide-in aluminium frames with 19 mm depth and folding&locking mechanism for two frames, swinging springs for stabilizing the frame in outdoor conditions, 4 anti-reflex PET poster covers and 2 PVC foam backing, 720x530x152mm water fillable HDPE heavy base with wheels for easy carrying and related fixing accessories like, sheet plates, nuts, spanners, and allen key.
- * Water base with 24lt capacity, can be filled with water or sand for providing stability. Weight of water base is 27,5kg, when filled with water.
- * Heavy-duty coil springs resist strong winds and return the sign to an upright position.
- * Water base is suitable for branding. Printing area: 300x80mm.
- * Natural silver-anodized, or black powder coated in standard and various RAL colors available with antimicrobial powder coating. Call for custom color requests.
- * It is recommend to carry the product with carry tool when the base is full with water. Carry tool is optional, not included in the package, please order separately.
- * Packed with an easy-to-understand instruction sheet. No tool assembly. Assembly in 75 seconds.
