## 1-Gallon Syrup Dispenser

1-Gallon Syrup Dispenser

### MAIN FEATURES

- 304 stainless steel housing and cover
- Fits a standard 1 gallon syrup container
- Large, ergonomic handle requires limited pressure to pump
- Pump screws directly into syrup container
- Stainless steel drip saucer is removable for easy cleaning
- Container removes from the base
- Base features nonskid feet for safe and stable operation
- All parts are dishwasher-safe
- Built for use with maple and breakfast syrups

### SALES FEATURES

With fresh-made waffles in high demand, your operation needs an easy way to dispense syrup. Perfect for front- and back-of-the-house usage, this 1-gallon syrup dispenser is efficient and low maintenance. A long, sure-grip handle pours syrup evenly with a light pump. Built to last, the stainless steel container sits in a sturdy base and features a removable top for easy filling. A stainless steel drip saucer prevents mess.
