NEW TOOL OVERVIEW XCV23Z

LXT[®] X2 18V + 18V 36V BRUSHLESS

FEATURES

- Efficient BL™ Brushless motor is electronically controlled to optimize battery energy use for up to 50% longer run time per charge
- The BL™ Brushless Motor eliminates carbon brushes, enabling the BL™ Motor to run cooler and more efficiently for longer life
- Efficient cloth filter captures small dust particulates
- Precision lightweight motor components and efficient air ducting produce an overall weight of only 17 lbs. with batteries (batteries not included)
- Motor chamber constructed of quality sound-absorbing materials for quiet operating sound level of 64 dB(A) on high setting
- Variable speed control dial for a variety of applications
- Large rubber bumper helps prevent damage to the work environment
- Locking cover for added protection of batteries (batteries not included)
