#### MAXIMUM SAFETY

Worker safety is critical to the success of any business. Protecting them from injury must come first. Tucker hand protection products offer the ultimate in wearer protection from risk of cuts, burns or working in cold environments.

#### MAXIMUM SANITATION

Tucker Safety Protective Products can be machine washed to prevent soil build up, reduce the risk of cross contamination, and maximize product life cycle.

#### MAXIMUM SERVICE

We design industry-leading products that can be trusted and that offer effective personal protection against burns or cuts throughout foodservice operations. We offer a one-year warranty against manufacturer's defects. If our customers are not 100% satisfied, we will work with them until they are.

#### MAXIMUM SAVINGS

Our innovative, high-grade materials protect wearers better for a longer period of time and last longer than inexpensive commodity products that are designed to fail.
