LT&S Chair and Bar Stool Cushions with Ties

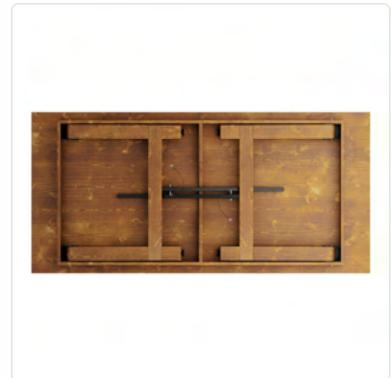

Enhance the comfort of your guests at your boho wedding by incorporating the Lancaster Table & Seating Vineyard chair and bar stool cushions with ties. Choose from earthy vine green, rustic chardonnay tan, and crisp riesling white. These cushions are designed with a 1" thick polyurethane sponge interior to provide optimal seating comfort for all attendees at any event. Their linen covers are machine washable for easy maintenance.

LT&S Barrel Brown Wood Folding Tables

Create a rustic boho look with the Lancaster Table & Seating Vineyard barrel brown wood folding tables. They come in both round and banquet styles to accommodate the wedding party table and wedding guest tables. Choose between **5-foot** and **6-foot** round tables. The banquet-style tables come in **7-foot**, **8-foot**, and **9-foot** options.

The durable pinewood construction of Lancaster Table & Seating Vineyard barrel brown wood folding tables withstands transport and rigorous use. Each foot is equipped with a floor glide to safeguard floors against scratches and scuffs, as well as to enhance traction on slippery surfaces. Their foldable nature makes setup and teardown easy, and allows for compact storage after your event is over.

Dinner Is Served

You've set the stage with your furniture. Now it's time to cast your dinnerware items. Incorporate **rattan charger plates** and **stoneware plates** in earthy tones and coupe shapes to create a natural and rustic look that effortlessly complements the boho theme. These pieces of dinnerware add a touch of organic charm to your tablescape, enhancing the overall ambiance of your event.

Rattan Charger

Adding natural elements to your table service is a great way to bring textural interest to your place settings. The attractive light brown hue of these **Acopa 13" round blond chargers** will complement light-colored dinnerware, making it an engaging visual element of your place settings.

- ✓ All-natural rattan material adds a rustic look to your table service
- ✓ Versatile 13" size is suitable for serving appetizer and entree courses
- ✓ Light weight yet durable construction

Sage Matte Coupe Porcelain Plate

Acopa's Pangea collection offers **sage matte coupe porcelain plates** that are perfect for boho weddings. The earthy green hue lends to the natural aesthetic, and the unique shape lends to the mix-and-match vibe.

- ✓ Long-lasting porcelain body
- ✓ Unique reactive matte glaze
- ✓ Oven safe for 30 minutes at or below 450 degrees Fahrenheit

Acopa Tan Matte Coupe Stoneware Plate

Acopa's Embers line adds a touch of warmth to your boho tablescape with their **tan matte coupe stoneware plates**. This 7 1/2" plate is an ideal choice for presenting a variety of dishes such as sandwiches, salads, and desserts.

- ✓ Rich tan hue is complemented by a unique matte speckled glaze finish
- ✓ Durable stoneware material is dishwasher- and microwave-safe
- ✓ Oven safe for 30 minutes at or below 450 degrees Fahrenheit

Acopa Pangea Flatware

Acopa's Pangea flatware set complements without distraction from your other boho tabletop items. They're sturdy enough to endure transport to and from venues while remaining affordable.

- ✓ Distressed finish creates a rustic appearance
- ✓ Durable, corrosion-resistant 18/8 stainless steel offers long-lasting use
- ✓ Raindrop-like curves paired with a teardrop-shaped handle are inspired by the serenity of natural forms

Cheers with Boho Glassware

Glassware is both functional and an interactive piece of boho decor. Their textures, weight, and appearance all work together to create a sensory experience that breathes of earthy elegance. Select from a range of elegant white wine glasses, sophisticated red wine glasses, and charming water goblets to enhance the overall ambiance and presentation of your event. **Acopa beverageware** offers stylish glassware options that add a touch of boho chic to your table settings, creating a memorable dining experience for your guests.

Acopa Covella White Wine Glass

Guests can use the **Acopa Covella 12 oz. wine glass** to enjoy both white and red wines, making it a solid investment for your catering company. Its bowl enhances the tasting experience, its crystal clear glass provides visibility, and its slender, elongated stem offers elegance.

Acopa Covella Glass Goblet

The **Acopa Covella glass goblet** is designed with a narrow taper to enhance aromas, making it both a stylish and functional piece. Its rounded bowl adds a natural element to complement rustic decor, making it ideal for serving soft drinks and water at your boho wedding.

Acopa Covella Bordeaux Wine Glass

If the bride and groom love red wine, the **Acopa Covella Bordeaux wine glass** is the ideal choice. Crafted with a wide bowl, it was designed to guide the flow of wine towards the rear of the palate, enhancing the flavors of rich, full-bodied red wines such as Bordeaux, cabernet sauvignon, and syrah.

Adorn the Tablescape

Decorative accents play a crucial role in setting the mood for your event, adding a touch of whimsy and charm to the overall ambiance. Select pieces that showcase organic textures, earthy tones, and eclectic designs to capture the essence of bohemian style. Nothing says rustic romance like a candlelit meal surrounded by wildflowers bound together in natural-looking glass vases.

Incorporate a mix of vintage-inspired vases to add a touch of nostalgia and character to your decor. Complement these vases with an **array of candles** and candle holders in varying heights and styles to create a warm and inviting atmosphere. Whether you prefer the soft glow of pillar candles or the flickering light of tea lights, candles are a versatile decor element that can instantly elevate the boho aesthetic of your event space.

Mix-and-Match Glass Vases

To create a boho aesthetic, use an assortment of **glass vases** in unique shapes. From subtle ribbing to hourglass shapes, glass vases provide crystal clarity and visual interest to hold and enhance your floral arrangements.

- ✓ Appealing method to showcase fresh or artificial flowers and greenery
- ✓ Varying shapes add an eclectic, free-spirited feeling
- ✓ Our assorted vase glassware is made of high-quality, heavy glass materials

Assorted Candle Holders

Acopa offers an assortment of **candle holders** you can blend together to create ambiance at your boho event. Ribbed amber glass casts a warm glow, mason jar candle jars add rustic charm, and vintage glass votive candle jars add a timeless touch.

- ✓ Creates soft ambiance
- ✓ Comes in multiple colors and styles
- ✓ Mix and match for a playful look

Assorted Candles

Find the appropriate candle shape and size to match each of your candle holders. From tea lights to wax pillars to tapered candles, we offer almost every **candle option** to help you create a romantic atmosphere at your boho wedding.

- ✓ Wholesale candles cut costs and ensure availability
- ✓ Flameless options reduce fire hazards
- ✓ Creates a romantic atmosphere

Boho accents are characterized by their free-spirited and nature-inspired design elements, such as macrame hangings, tree ring charcuterie boards, and an abundance of greenery. Glassware in unique shapes and colors, like our Nordic glass bottle and amber ribbed tea lights, gives the impression of handcrafted goods gathered at flea markets and craft fairs. Use our **customization tool** to emboss your accent pieces with the bride and groom's initials.

When styling a boho wedding or event, the tabletop items, furniture, and decor play a significant role in telling the story of a free-spirited couple deeply grounded to the earth. The eclectic mix of textures, colors, and patterns creates a sense of whimsy and individuality that reflects the client's unique personality. From mismatched candles to rattan charger plates and natural elements like wood and greenery, every detail contributes to the overall bohemian vibe. By incorporating these elements thoughtfully, you can create a warm and inviting atmosphere that celebrates love, nature, and individuality.
