

ARTWORK & FILE PREP

Let us take the guesswork out of custom fulfillment for you. With your **plus** membership, **we'll make sure your customizable products will look their absolute best for only \$149*.**

File Conversion

.pdf, .psd, .jpg, .indd? Not sure which types of files to use? We can convert most file types into ones that are compatible with the printer's accepted formats to make sure your prints turn out as they should.

Artwork Cleanup

Make sure your artwork will print clearly with our artwork cleanup service. We'll review your artwork and make any needed adjustment to ensure that your work prints out at it's optimal quality.

Color Correction

Need your logo in that perfect shade of blue, but all you have is a black version? We can help. We can make color adjustments to your artwork as well as making sure the files have the right color profile for the job.
